

Postdoctoral Fellowships

The University of Western Ontario
Department of Computer Science
Postdoctoral Fellowships

The Department of Computer Science at the University of Western Ontario has two postdoctoral positions. Several groups are considering a postdoctoral position for an energetic individual with background in one of the following areas:

- Computer algebra
- Formal Languages and Automata Theory, Coding Theory
- Software engineering, system modeling and monitoring, cloud computing or related areas to participate in multiple research projects in the area of smart cities

Each position has a two-year term with a flexible start date of September 1, 2018. The salary will be \$67,000 CDN per year. The positions will involve teaching two half-courses per year, in addition to research. Candidates should have completed a Ph.D. in July 2015 or later. The filling of these positions is subject to budgetary considerations.

Applications may be mailed to:

Professor H. Lutfiyya, Chair
Department of Computer Science
Western University
London, Ontario CANADA N6A 5B7
hlutfiyy@uwo.ca

All applications should include a curriculum vitae, a one page research statement, and at least three letters of reference. At least one letter of reference should comment on the teaching abilities of the applicant.

E-mail inquiries and submissions may be sent to hlutfiyy@uwo.ca.

Information about the Department can be found <http://www.csd.uwo.ca>

Screening of applications will begin on July 20, 2018, and will continue until all positions are filled.
