

**Newport Forest**

December 28 2003

1:50 - 5:00 pm

**Weather:** prec. 4 mm; clear; calm; LM 10 C; FCF 8C

**Purpose:** Jonathan visits Newport Forest!

**Participants:** Kee, Jonathan

We found Steve already on the property. He reported seeing three deer in the RSF, two of them last year's fawns, now nearly grown.

after Steve left, jonathan and I walked the Thames River Trail. In the RSF he explained that perhaps he would enjoy the woods more if I would show him how to ID a few different trees. This I did with pleasure.
