About my Research Team

2 x Masters Students

3 x Ph.D. Students (co-supervision)

1 x Post Doctoral Fellow (PDF)

Hiring – MSc, PhD, Research Associate

My Industry Partners

Graduate Course

CS 4457 / 9657: Computer Networks II (Fall 2017)

- Research Topics:
 - Network QoS and QoE
 - Network Security
 - Internet Traffic Forecast
 - Network Economics

Grading Scheme

Course Component	%
Research Paper Review (Assignments)	$2 \times 10\% = 20\%$
Research Project Proposal	$15\% + 10\% = 25\%$ (report + presentation)
Final Research Project	$35\% + 10\% = 45\%$ (report + presentation)
Class Participation	10%
